LA PETTEGOLA ROSÉ

LA PETTEGOLA LIMITED EDITION

THREE CHAPTERS, ONE STORY

Some people like to go unnoticed, to remain in the shadows. Then, there's me...  
**La Pettegola**

Lover of *curiosity* and *sharing*, of laughter and smiles, of *company* and toasts, in *cool style*.

I fly on the Tuscan coast, with class and lightheartedness. Now, I stop to tell the beauty of my story, divided in three chapters. A sweet story born from fragrant notes of sea breeze that gently pamper the vineyards where I live.

LA PETTEGOLA

## La Pettegola

*A great personality*

A white that embodies the essence of the Tuscan coast. With its bright freshness and lively character, it stimulates curiosity. On the nose, it opens with a bouquet of white fruit, ripe peach and citrus, enriched by notes of hawthorn. The sip is fresh and harmonious. Its casual soul makes it perfect for any occasion.

Perfect...on sunny days!

LA PETTEGOLA ROSÉ

## La Pettegola Rosé

*A splash of color,  
so you won't go unnoticed*

An expression of style that catches the eye with its chic, delicate and luminous pink color, a promise of elegance and delicacy. On the palate, it is a perfect balance of lively acidity and enveloping softness. Overall, it is intriguing. It stimulates the senses with great class, inviting the next sip.

Ideal for moments... that leave the mark!

LA PETTEGOLA LIMITED EDITION

## La Pettegola Limited Edition 2026 by Quasirosso

*An artistic explosion*

The look for beauty brought Banfi closer to the world of art, in a partnership that grows stronger every year, thanks to collaborations with internationally renowned artists and designers. Quasirosso reinterprets the saying "a little bird told me" with irony: two female figures share secrets in an enchanted garden. A woman dressed as a bird whispers into her friend's ear, giving life to the most authentic form of gossip. Floral motifs and Art Nouveau decorations evoke the elegance of the Belle Époque.
